

Proposed Geotech HomZ Housing at Greater Noida

Armstrong Engineering Services for always stood like rock. "I can tell you that under the watchful eyes of Sanjay Kumar Khatri, this firm is making long strides and are our natural allies. They are in to Airconditioning, Refrigeration and Ventilation consulting Engineers. They under take the engineering consulting works for Air-conditioning, ventilation, refrigeration and building automation systems. I can tell you it is a great organization and love to work with them."

Ashok Gupta, MD of Ajnara Group
 "I think Deepak Mehta is a very thinking architect. I feel that a great architect should design with the knowledge of both the present and the future. The good thing about Deepak that he posses these qualities. Last but not the least, he always tries to learn. It speaks volumes about his personality," says Ashok Gupta, MD of Ajnara Group

For Deepak Mehta, SINGAL ASSOCIATES is a venerable firm. It is a Delhi based Landscape Architecture firm established in 1990 by an internationally experienced Landscape Architect, Krishan C. Singal. Armed with significant experience in open space designing, we provide planning and design services through all phases of
